

Cabin crew certificate

Every adventure begins with a *Yes*

Become a CABIN CREW MEMBER with us and obtain an Official Certificate that will allow you to work as a CABIN CREW MEMBER.

This training will allow you to acquire the initial skills required to develop your main duties as a cabin crew member, safety on board.

In addition you will perform emergency procedures and survival practices, including the use of emergency equipment. You will perform your practices on Wamos Air aircraft.

REQUIREMENTS

- Minimum 18 years old.
- Required pass a medical examination (class CC).
- Ability to swim.
- Nationality of an EU member state or with residence permit.
- Knowledge of English and Spanish. Valuable other languages.
- Minimum High School or equivalent.

Furthermore, if you train with us, you will gain your Type Rating as a CABIN CREW MEMBER ON BOTH B747-400 AND A330-200 FLEETS.
